Summary

Hi, I design beautiful, engaging user experiences for the web. I pride myself on reliable communication with my clients and i'm an easy to work wwith, friendly guy. You can find out more about me, and then get in touch for a chat about your project. I have done my schooling at St Ann's School.I have done my Intermediate at Naryana JR Clg.I chose computer science and information technology at Lendi institution of engineering and technology. It was a very enriching experience at the school as not only we were actively involved in practical projects, but also got opportunities to participate in a number of sports and other extra-curricular activities such as plays and skits during the parties and festival times.
